

6A HUD Key Codes

Below are the new HUD key codes that must be utilized on all HPIR work orders and lock changes. These keyed locks must be in inventory to receive new work from Innotion.

Keyed Locks 22457, 25374, 41352, 47455, 67325

Keyed Padlock N109

Other keys needed to perform inspection work. ****Note these are keys only that are needed. Do not stock up with these keyed locks for Innotion HUD work. Only have the keys.

67767, 44535, 76667, 35241
