

HOA Help Needed

Dear Neighbor,

In reference to the vacant property at:

_____, Case Number _____,

we need your help to determine if this property is in a Home Owner's Association (HOA). This property is now owned by the U.S. Department of Housing and Urban Development (HUD) and is in the care of Innotion Enterprises, Inc. If this property is part of an HOA, we will need their contact information to ensure that the property is compliant with the HOA's rules and so that dues are paid.

If you have this information, or if you could forward this request to an HOA Board Member, we would appreciate any assistance you can provide. You may contact our HOA Department at 1 (888) 347-6372 or by email at escalations@innotion.com. They will process the information as quickly as possible so that the property remains in good standing. If you call after hours, please make sure you leave the property address, case number, and the HOA contact information.

Thank you!

**Thank You for your prompt attention into this matter,
Innotion Enterprises, Inc.
Agent for the U.S. Department of Housing and Urban Development**
